Dear Mr. Clarke:

Re: Ridgefield Brick and Tile Site, Ridgefield, Washington
EPA I.D. No. WAD 00903-6906
RCRA Docket No. 1085-09-26-3008P

The Washington State Department of Ecology (Ecology) seeks reimbursement from the Ridgefield Brick and Tile (RBT) site trustee for the installation of a fence around the RBT landfill perimeter. The fence was installed on June 26, 1995. This work was done as a post-closure site stabilization activity to prevent public access to the RBT landfill. The fence was a six foot high, ~~the~~ Washington State Department of Transportation Type 3 fence with three strands of barbed wire, line posts at ten feet, and two gates: a four foot wide walk gate and a twelve foot wide double swing drive gate. The cost of the fence (material, installation, and sales tax) was \$8,122.60. Marcia Bailey of the RCRA Compliance Section is the EPA contact person for this site. I have enclosed proof of payment to the vendor for the fencing, as well as the original bid proposal form and bid acceptance letter.

To reimburse Ecology's State Toxics Account, which is where funds were originally appropriated from, please send a check in the amount of \$8,122.60 to:

Dear Mr. Brown:

Re: Ridgefield Brick and Tile Disposal Site Fencing

Your bid on June 13, 1995 for the fencing work at the Ridgefield site has been found favorable. The Contract Agreement will only be in force after it has been signed by the Toxics Cleanup Program Manager.

Enclosed are two original copies of the Contract Agreement. Please sign these forms and return them to me. I will also need a copy of your bond and your federal identification number. Please let me know when you plan on beginning this work so that I can put it in my schedule to be there doing part of the time.

If you have any questions pertaining to this project, please contact me at (360) 407-7210.

Sincerely,

Charles H. Hinds, P.E.
